Re: *In re* Biogen '755 Patent Litigation – Civil Action No. 10-2734 (CCC)(JBC)

Dear Judge Cecchi:

On behalf of EMD Serono, Inc. and Pfizer, Inc. (collectively, “Serono”), we write regarding the upcoming hearing scheduled for May 11-12, 2017 regarding defendants’ motions for summary judgment in this matter. After the Court scheduled this hearing, we learned that lead counsel for Serono has a conflict on May 12; his daughter’s commencement ceremony, at which she will receive a Master’s degree, is scheduled to occur on that day in Los Angeles. Given the importance of this event, we write to request, subject to the Court’s availability, that rather than May 11-12, the Court re-set the hearing for May 10-11. Alternatively, should May 10 prove inconvenient for the Court, we ask that the hearing be rescheduled to occur on May 11 and May 15.

Counsel for all the parties to this action have graciously consented to this request. We thank the Court for allowing us to be heard on this matter.

Respectfully submitted,

s/ David E. De Lorenzi
